#### Service Description

This mobile broadband data plan is a “SIM Only” service and does not include a mobile broadband device, tablet or other hardware. You will require an unlocked compatible mobile broadband device to use this service.

You can cancel your service by submitting a cancellation request any time up until 5pm on the last day of the billing period for that service. See the ‘Billing’ section of this CIS for information about locating the billing period for your service. You will not receive a refund or credit for any unused days of the current billing period of your plan that fall after your cancellation date. Included features and usage are prepaid at the start of each month.

#### Key Details

##### What’s Included?

Your mobile broadband service includes a monthly data allowance in line with your selected plan for use within Australia.

If you consume all your monthly data allowance, you will not be able to use your service until the start of your next billing period.

##### What’s not included?

- This service does not include a mobile broadband device or hardware. A mobile broadband device can be purchased from us separately.
- You can only use your mobile broadband data service within Australia. International roaming is not available with this service.

- You cannot use your service to make voice calls or to send SMS or MMS.
- Databank, data pooling and data gifting are not available.

All More Telecom plans are subject to the More Telecom Fair Use Policy available on our [website](#).

#### Hardware

You can purchase a mobile broadband device from us for use with your service for an up-front fee. Please see our website for current options and pricing. Alternatively, you can choose to BYO your own device, but it must be compatible with the supplied mobile broadband SIM.

If you cancel your plan at any time, we will not refund the cost of any mobile broadband hardware you have purchased from us, except in accordance with our Hardware Limited Refund Policy or where required by law. Please review our Hardware Warranty Information for further information about your rights if you experience a fault with a mobile broadband device that you purchase from us.

#### Other information

##### Usage and spend management

You can monitor your usage and manage your spend using the [customer portal](#) or by calling us on 1800 733 368. You can check your remaining data balance at any time for free by texting “bal” to 179.

### Service details and coverage

More Telecom acts as a reseller and uses parts of Telstra's 5G, 4G and 3G mobile networks. For more information on coverage please see our [Coverage Map](#). More Telecom is your service provider, and we are responsible for providing your service to you. We are not affiliated or related to Telstra in any way.

### Billing

We will bill you in advance for the first month's plan fees as well as any hardware charges. From the second month, you will receive your account charges monthly via a bill issued on the date that your first More service was activated. Non-prepaid usage is billed at the end of a month. See our [Standard Form of Agreement](#) for more details about charges for non-prepaid usage. It is free to receive your monthly bill online via the [Self Care Portal](#) or via email. You can also request a paper bill by post for a fee of \$3.50.

Each individual service on your account may have a different billing period. You can find the billing period for each service:

- on your invoice;
- in the [Customer Portal](#); or
- by contacting Customer Service.

### Late payment fee

If your account is not paid in full within 5 days after the monthly due date a late payment fee of \$22 will apply. We strongly recommend that your account is set up for direct debit to ensure that your account is paid on the due date and avoid any late fee.

### Additional account fees

The following account fees apply:

Paper Bill Fee: \$3.50 (available on request only)

Late Payment Fee: \$22.00

Bounce Payment Fee: \$11.00

Temporary suspension of service charge: \$10.00 per each whole or partial billing period when the suspension is in place

Physical SIM replacement charge: \$10.00

Physical SIM provisioning charge: A \$10.00 fee applies if you do not activate your service within 2 months after your SIM was posted.
