

Hosted PBX Plan

Included line rental, local, national & mobile calls

Critical Information Summary for your Hosted PBX plan.

Information about the Service

SERVICE DESCRIPTION

The More Hosted PBX plan is a business digital telephone plan with handset included (not included on the Softphone App Plan). You will require an internet connection in order to use this service. This can be supplied by More separately if required.

HARDWARE

You will be supplied at least 1 hosted PBX telephone handset as part of this plan. There is no hardware supplied with the Softphone App plan as it is not required for this plan.

KEY DETAILS

This service is available on 24-month contract. The maximum early termination fee is \$220 inc GST per service. Your Hosted PBX plan allows you to make and receive phone calls. The plan included unlimited local and national calls within Australia. Other calls and optional value-added services and any other equipment are charged in addition to your Monthly Access Fee.

This service may not be suitable if you require an uninterrupted phone service with access to 000 emergency services. The service will not function in the event of a power failure. Priority Assistance is not available on this service. All More plans are subject to the More Fair Use Policy, which can be seen on our website.

STANDARD INSTALLATION REQUIREMENTS

An Internet service with a minimum of 100kbps/100kbps per concurrent call is required for a More Hosted PBX plan to work. You are required to install the handset(s) supplied as part of your More Hosted PBX plan. This includes any associated cabling, configuration or your network and any routers and/or switches within your network to allow the Hosted PBX handsets to work. Installation options can be arranged at an additional charge. For more information, please speak to our customer service team on 1800 733368.
