This offer provides a limited number of eligible CommBank Workplace Banking customers with a monthly discount of \$50 per month off the recommended retail price (RRP) of a More nbn® plan for 36 months (NBN Discount) and a once-off discount of \$180 on a Wi-Fi Router Pack if purchased in the same transaction (**Hardware Discount**). This offer is only available to eligible customers from the CommBank Workplace Banking Program and CommBank Group employees, that have eligible CommBank home loans funded through a CommBank lender between 1 April 2026 and 31 December 2026, which includes funding at least \$250,000 or more through refinancing from a financial institution other than Commonwealth Bank or Bankwest. These customers must have been informed of their eligibility by a CommBank lender. To receive this offer, you must verify your identity with ConnectID, purchase a new More nbn® plan and a Wi-Fi Router pack in the same transaction and use a CommBank credit or debit card as your online bill payment method. To maintain the discount on your nbn® plan available under this offer, you must continue to pay for your discounted More nbn® plan with an eligible CommBank online bill payment method (see section 25).

The 36 months is a promotional period (**Promotional Period**) that commences from the day that your nbn® service is activated. After this promotional period the cost of your plan will be subject to an ongoing monthly \$10 discount off the RRP of your plan (**Ongoing Discount**) as long as you use an eligible CommBank online bill payment method. The RRP of More nbn® plans are available on the More website and are subject to change in accordance with More's Standard Form of Agreement.

If you sign up, More will be your service provider for your nbn® service and will handle all technical enquiries, complaints and servicing. The provision of your More service will be subject to More's standard terms of service and policies, available on the More website [here](#).
